## PASTS LIST

| NO. | DESCRIPTION                 | QT'Y | NO. | DESCRIPTION                 | QT'Y |
|-----|-----------------------------|------|-----|-----------------------------|------|
| 1   | Nut M4                      |      | 43  | Nut M24×1.5                 |      |
| 2   | Flat washer ø4              |      | 44  | Saw blade                   |      |
| 3   | Clear window                |      | 45  | Lower wheel                 |      |
| 4   | Screw M6×8                  |      | 46  | Hex bolt M8×30              |      |
| 5   | Plastic washer ø6           |      | 47  | V-belt                      |      |
| 6   | Lock plate                  |      | 48  | Motor pulley                |      |
| 7   | Plastic nut                 |      | 49  | Bush                        |      |
| 8   | Upper door                  |      | 50  | Nut M30×1.5                 |      |
| 9   | Plastic washer              |      | 51  | Washer                      |      |
| 10  | Door axis bush              |      | 52  | Washer                      |      |
| 11  | Washer ø10                  |      | 53  | Microswitch                 |      |
| 12  | Door axis                   |      | 54  | Nut M8                      |      |
| 13  | Rivet M4×10                 |      | 55  | Ring retaining 12           |      |
| 14  | Lower door                  |      | 56  | Bearing 101                 |      |
| 15  | Hex bolt M8×10              |      | 57  | Ring retaining              |      |
| 16  | Flat washer ø8              |      | 58  | V-belt pulley               |      |
| 17  | Upper shaft                 |      | 59  | Shaft for V-belt pulley     |      |
| 18  | Upper wheel sliding bracket |      | 60  | Bush                        |      |
| 19  | Pillow block                |      | 61  | Thread rod                  |      |
| 20  | Cam                         |      | 62  | Small handwheel             |      |
| 21  | Hex bolt M6×10              |      | 63  | Dust chute                  |      |
| 22  | Roll pin 5×35               |      | 64  | Screw M5×6                  |      |
| 23  | Upper wheel shaft hinge     |      | 65  | Dust chute                  |      |
| 24  | Adjusting rod               |      | 66  | Motor                       |      |
| 25  | Screw M4×20                 |      | 67  | Bolt M8×30                  |      |
| 26  | Screw M4×60                 |      | 68  | Lower wheel shaft           |      |
| 27  | Switch                      |      | 69  | Hex bolt M8×25              |      |
| 28  | Big handwheel               |      | 70  | Plate                       |      |
| 29  | Washer ø12                  |      | 71  | Semicircle head screw M4×8  |      |
| 30  | Nut M12                     |      | 72  | Pointer                     |      |
| 31  | Bearing 8101                |      | 73  | Semicircle head screw M5×10 |      |
| 32  | Block                       |      | 74  | Washer ø5                   |      |
| 33  | Spring                      |      | 75  | Contactor                   |      |
| 34  | Upper wheel shaft           |      | 76  | Contactor box               |      |
| 35  | Bearing 105                 |      | 77  | Wire hanger                 |      |
| 36  | Bush                        |      | 78  | Frame                       |      |
| 37  | Screw                       |      | 79  | Semicircle head screw M4×30 |      |
| 38  | Pointer                     |      | 80  | Nut M8×16                   |      |
| 39  | Step screw                  |      | 81  | Shaft                       |      |
| 40  | Upper wheel                 |      | 82  | Rod                         |      |
| 41  | Tire                        |      | 83  | Shaft end                   |      |
| 42  | Washer 24                   |      | 84  | Washer ø10                  |      |

## PASTS LIST

| NO. | DESCRIPTION               | QT'Y | NO. | DESCRIPTION              | QT'Y |
|-----|---------------------------|------|-----|--------------------------|------|
| 85  | thread handle             |      | 138 | Convex window            |      |
| 86  | Knob bolt                 |      | 139 | Adjustable base          |      |
| 87  | Protective cover          |      | 140 | Shaft                    |      |
